AhaGuru LIVE Online Class Methodology

Build your Concepts, Problem-solving skills and Confidence!

LIVE Online Classes

- Interactive LIVE online class by expert teachers
- Instant doubt-clearing during the LIVE class
- Weekly tests, worksheets, quizzes
- Printed study materials

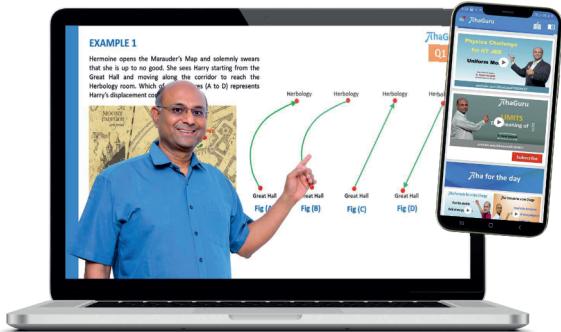

Online Recorded Course Assignment

Each lesson has

- Concept Lecture Videos
- Solved Video Examples
- Practice Exercises

Students are expected to complete the 3 - 5 hours online assignment before attending the LIVE Class.

Mentor Support

- Doubt-clearing during and after the LIVE Class
- Personalized guidance, support and tracking

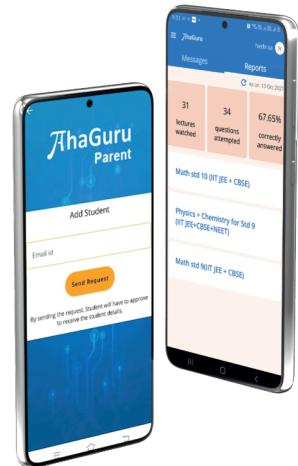

Additional Revision Classes

- Periodic revision classes to help students learn well
- Higher order problem-solving classes for advanced level students

Progress Reports

- Periodic parents' meetings to update students' progress
- Parent App to view reports and performance

Learn from the India's Best Teachers from the Comfort of your Home!

AhaGuru LIVE Online Class Schedule

AhaGuru Expert Teachers

Physics, Chemistry, Maths & Biology

Dr. Balaji Sampath

Maths & Physics

(All India Rank 4 in IIT JEE 1990), did his B.Tech from IIT Madras and PhD from the University of Maryland. Balaji's Physics and Math classes focus on conceptual clarity, fun experiments and innovative problem-solving techniques that he has developed. He has helped thousands of students get into IITs, NITs and BITS. Balaji's students have said that they 'fall in love with Physics' when they attend his classes. His popular science demos on Sun TV, and his books, videos and teaching methods have inspired lakhs of students. Balaji Sampath also founded AID India, a non-profit organisation that has educated two million poor children and constructed 400 homes for homeless families. For innovation in science education, Balaji received the Ashoka Lemelson Inventor Award and Distinguished Alumnus Award from IIT Madras and the University of Maryland.

Dr. K.S. Balaji

Physics

Prof. K. S. Balaji graduated from IIT Kanpur and got his Ph.D. in Physics from the University of California. He taught at the University of California for 8 years before returning to India to do research and teach Physics. In his 30+ years of physics teaching experience, he has trained thousands of students for IIT and competitive exams. His IIT JEE Physics Classes help student gain a fresh perspective of the subject and understand concepts clearly.

Prof. S. Gomathi

Physics & Chemistry

(M.Sc, M.Phil Physics), is the founder principal of two primary schools and she has established them as models for innovative teaching. Gomathi has developed a large number of exciting science experiments and her award-winning Science-Lab-in-a-Box Kit is being used in over 1200 schools. Her science classes are filled with fun experiments and students love her visual explanation of concepts. As Director of AhaGuru, Gomathi focuses on ways to continuously deepen children's Maths and Science Learning.

Dr. D.P. Sankaran

Chemistry

(Retd. Chemistry HOD at Loyola College), is a highly sought-after Chemistry professor with over 40 years of experience. Many chemistry teachers across the country were groomed by him when he was teaching at Loyola. Prof. DPS is nationally known for his innovative methods that makes Chemistry really easy for students.

AhaGuru Expert Teachers

Physics, Chemistry, Maths & Biology

Prof. S. Santhanam

Chemistry

(Retd. Vice Principal and Professor of Chemistry, Loyola College), is a famous Chemistry teacher with three decades of experience in training students for IIT JEE and Medical Entrance Exams. He inspires students to learn concepts thoroughly and apply them to problem-solving. His innovative methods make students enjoy Chemistry. Two of his students secured All India Rank 1 in IIT JEE.

Dr. A. Ravishankar

Maths

Prof. Ravishankar completed his B.Tech from IIT Madras, and his PhD from CMU, USA. He earned 3 patents in the US. He was a faculty at IIT Madras before he decided to devote his entire time to school education. He has been training students for IIT JEE & Olympiad exams for the past 10 years. He is the director of Prodigee Education Academy. His innovative Maths classes at AhaGuru have been a big hit with students.

Prof. Rajesh Sadagopan

Maths

Prof. Rajesh, an engineer turned Math educator, is widely recognized for his challenging questions and creative techniques for solving Math problems. A passionate teacher with 30+ years of experience, Rajesh helps students excel in mathematical thinking. He has inspired hundreds of students ace their IIT JEE exams, as well as the National and International Math Olympiads.

Prof. Paul Vinotha Rajan

Biology

Prof. Paul (M.Sc., B.Ed.) is an expert Biology teacher, who is passionate about developing interesting ways to teach concepts in Biology. He has helped hundreds of students understand difficult concepts easily and top entrance examinations. He has vast experience in producing e-learning modules in Biology.

AhaGuru Expert Teachers

Physics, Chemistry, Maths & Biology

Dr. Chitra Natarajan

Biology

Dr. Chitra Natarajan (M.Sc, Ph.D) is a recipient of the J.C. George Gold Medal in Biology. She has successfully guided several students in clearing medical entrance examinations like NEET, JIPMER and AIIMS. She has also trained students in biology for International Olympiad Examinations.

Prof. Sudha Sridhar

Maths

Prof. Sudha is an excellent Mathematics teacher with more than 15 years of teaching experience. She is very good at working with students of all levels to ensure that they understand the fundamental concepts in every topic. Her keen interest in Mathematics has enabled her to come up with many innovative techniques to help students master each topic. Her immediate response to students' doubts and the individual attention she provides, makes her an excellent mentor and guide. She helps students understand even difficult topics very easily.

Dr. Evvie Chockalingam

Chemistry

Prof. Evvie (M.Sc, Ph.D IISc, Bengaluru), was a professor at Anna University, Chennai for 4 years. She also worked as a scientist at the CSIR Lab for 3 years. Over the past 10 years, she has been teaching Chemistry for Class 11 and Class 12 students to help them prepare for IIT JEE and NEET entrance exams.

Prof. R. Lakshmi Narayanan

Chemistry

Prof. R. Lakshmi Narayanan got his M.Tech (Gold Medallist) from Anna university. He has 25+ Years of Chemistry teaching experience, he has trained thousands of students for IIT and other competitive exams. His different teaching techniques making tougher concepts relatively easy and the short cut techniques to tackle MCQs for competitive examinations.

AhaGuru Success Stories

What Students and Parents Say

Muhender Raj

All India Rank 4 in IIT Advanced 2020

Muhender Raj joined AhaGuru when he was in Class 10. He said "Balaji Sir's classes are conceptually very clear and also extremely engaging. I like his way of teaching, as it helps me understand difficult concepts easily."

Keerthana Kasi

All India Rank 12 in NEET

All India Rank 31 in AIIMS

All India Rank 5 in JIPMER

"AhaGuru's online videos are very useful to understand concepts that you may not grasp in your regular classes. The way Balaji Sir teaches is just amazing!"

Aditi Balaji

Metallurgical & Material Science

Department at IIT Madras

Aditi joined AhaGuru when she was in Class 9. She says, "AhaGuru prepared me, not just for my IIT JEE exams, but for life-long learning! I use the concepts I learnt at AhaGuru in my IIT Courses as well."

G.Gokulnath

Chemical Engineering at IIT Madras

I have enjoyed learning at AhaGuru, ever since I joined in Class 10. I was able to build my understanding step-by-step. It helped me learn effective problem-solving techniques and I learnt from my every mistake. The classes motivated me to keep improving. Thank you, AhaGuru!

Sangeetha

Mother of Vidyut Balaji (IIT-ian)

I am a proud mother of an IIT-ian now, and I really thank AhaGuru for that. My son was with AhaGuru for 3 years, and it helped him crack the JEE and IIT exams. AhaGuru helps students learn concepts deeply, and also builds their application skills. I recommend AhaGuru to all students who are looking to understand the subjects and do well in exams.

Vidya Subramanian

Mother of Skandan Subramanian

My son Skandan has been an AhaGuru Student for more than 4 years now. He is now looking at exams as a way to challenge himself. With the knowledge he gained from AhaGuru classes, he was able to do well at the Indian Astronomical Olympiad camp. I found that, with AhaGuru, children are happy to learn, and each of them realizes their full potential. I would strongly recommend AhaGuru for a wonderful and holistic learning experience.

Frequently Asked Questions

1. How do I register for the AhaGuru courses?

Go to www.ahaguru.com and select the course you want. Click 'Register Now', fill in your details and complete the payment process. You will receive an email with the login credentials for the course(s) you have selected. Alternatively, you can also call +91 9600100090 or +91 96001 00020 to register in our courses.

2. What is the validity of each course?

The course is valid for a period of one academic year.

3. Whom should I contact if I have any questions?

Please contact AhaGuru Support at +91 96001 00090 or +91 96001 00020 for assistance.

4. In case I miss a LIVE class, will I be able to see the recording of it?

Yes, the recording of all the previous LIVE classes will be available to you in your course. You can see these if you miss any class, and also use them to revise concepts at your own time.

5. Can I register for one subject or is it a package?

We offer both options. You can choose to register for one or more subjects.

6. How can the student clear his/her doubts?

During the live online class session we have the subject mentors and the expert teachers who will be answering the doubts. Apart from this students can also ask doubts via our whatsapp group, by emails which will be answered by our subject matter experts.

7. How do I know the progress of my child?

There is report card section under 'my course page,' which will give you the consolidated course completion report of your child.

8. Is there any free trial class before I purchase a course?

Yes, all the courses have a free trial version. You can access it from the website or refer to some of our sample videos from youtube. You can also contact AhaGuru support to get access to free trial classes.

9. Are there any study materials given as part of the online class?

Yes, we provide workbooks, printed books, worksheets and other materials as part of the package.

10. How will parents get updates and reports about the students' performance?

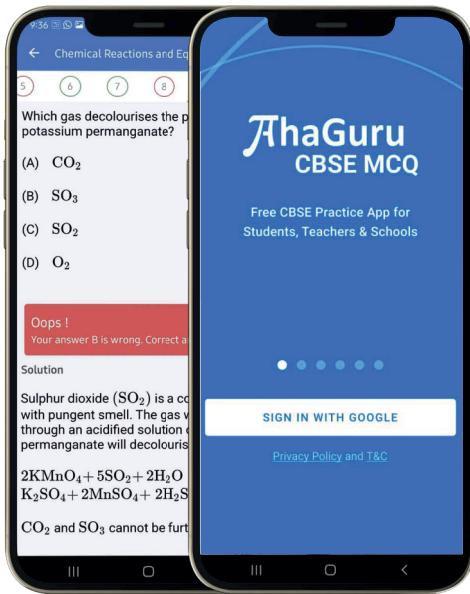

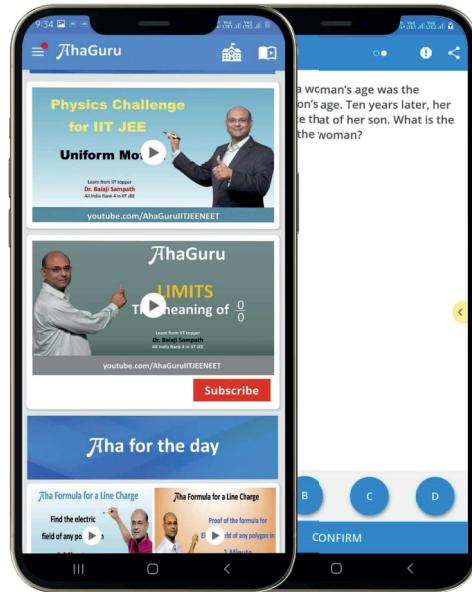

AhaGuru has a separate Parents App for the parents to know about the performance of the students. Also, there is a report card section under "My course page" which will give you the consolidated course completion report of your child. We will also conduct periodic Parents teachers meetings to share the progress of your child.

AhaGuru Free Learning Apps

Learn Anytime, Anywhere!

AhaGuru IIT JEE App

The app allows students to access AhaGuru's free concept videos that enable deep conceptual understanding. Daily practice questions reinforce and build problem-solving skills. The app offers an enjoyable way to learn Maths and Science.

AhaGuru CBSE MCQ App

The app is free to use and contains multiple-choice questions in various subjects like Maths, Science, English and Social Science for Class 10 and 12. Students can take multiple tests from any chapter in the CBSE syllabus. This app is an excellent tool for students to prepare and practice for their exams.
